

TESTIMONIAL

GLENN O'BRIEN BANDON-CLEANING COMPANY

My company, Europa Components, has been using Bandon-Cleaning operatives for all our general office, warehouse and window cleaning since we relocated to Luton four years ago from our small office base in Borehamwood. Our current premises cover an area of 25,000 square feet of which 80% is attributed to warehousing space and 20% to office space.

Prior to moving, I sourced several cleaning contractors via the internet and shortlisted Bandon-Cleaning for interview. My meeting with Glenn O'Brien, Owner and Director of the company went extremely well. Glenn was very helpful and his quotation was very competitive in pricing. He was able to provide every service I asked for including a complete builder's clean. Floors were buffed and everything was spick and span before we moved in and took up residence.

What impresses me is that all Bandon-Cleaning services are provided by the company's in-house operatives which ensure continuity and quality of service. We have a lovely, quiet but friendly lady who has been doing our cleaning for the last 4 years. She is very discreet; all the work is done outside of working hours. We don't see her much but we can see the fruits of her labour! Glenn is also on hand to supervise our quarterly window cleans.

We receive an excellent service from Glenn and his team. There is nothing which I can think of that needs improving. If I have any suggestions or ideas, Glenn is quick to take them on-board and make any necessary changes. Any problems or urgent requests which might arise are resolved without issue.

Bandon-Cleaning provides a complete all-round service. We wouldn't use them if they hadn't done a good job.

Bandon-Cleaning is efficient, punctual and cost-effective.
